Item No. 6.

To VICTOR.

ALBERT sometimes forwards us films materials to transmit to HELMSMAN [WOLEVAN] [i]. Please rush an explanation of whether to forward those materials to B. DEBUS [VADLI] [ii] for transmission or again whether they can be transmitted on films through DICK [DIK] [iii] (we have no other possibilities); is one to ask your sanction in each case? ALBERT emphasises that the FELLOW COUNTRYMEN [iv] probationers [STAZHERY, ZHILYAKI] insist on the transmission of materials to HELMSMAN without delays. He expresses the fear that [D. otherwise] the FELLOW COUNTRYMEN may try to realise transmission passing us by.
